## Welcome to Our Interim Administrator BELINDA MOEN

I am honored to be a part of the Bethel Lutheran Nursing & Rehabilitation Center team. It is my pleasure to be here, and I am grateful

for the opportunity to work for such an amazing organization, team, and the wonderful residents that reside here. My name is Belinda Moen. I am a mother, grandmother, wife, sister, registered nurse, and proudly your Interim Administrator. I have been married to my high school sweetheart for 29 years. We have two amazing children, Austin & Paige, and have two beautiful grandbabies – soon to be three! I began my career in healthcare in 1998 as a registered nurse and have worked in a variety of settings including obstetrics, ICU, ER, and long-term care. Long-term care captured my heart and soul and I have never looked back. In July of 2000, I became a Licensed Nursing Home Administrator. I joined Bethel in September of 2021, and I am absolutely thrilled to be here.

The last two years for long-term care have been challenging but I am so incredibly excited for what the future holds. In the coming months, we have several exciting activities planned for families and residents. In April there will be a Friends & Family Easter Egg Hunt. May will bring Band Day. A summer craft sale is planned; where we will have available for purchase seedlings the residents have planted. We also have a brand new Facebook page that I invite each and every one of you to follow where we will be showcasing the happenings at Bethel for all to see and enjoy. Our webpage is currently undergoing a much-needed revamp, and I am excited to see the changes.

The beginning of March came in like a lion for the residents and staff on Pineview! We practice fire drills on a routine basis, hoping we never have to utilize the training and knowledge we gain – but our fear came true when a fire broke out on Pineview. A special thank you goes to our nurse Geri, who without his quick thinking, things could have been much worse. He reacted with speed, skill, and confidence and single handedly extinguished the fire. He worked tirelessly, along with several other staff, to

move the residents to safety and keep them calm. Thank you Geri, and all the other staff, for your quick response, willingness to come in and help after hours. And thank you to the residents and families for your understanding and cooperation, as well as the Williston PD and Fire Department for their quick response. Repairs were made in less than 24 hours and residents were moved back into their homes. It is absolutely amazing to see the staff come together during an emergency and work together to accomplish whatever needs to be done for our residents.

Thank you for trusting me in my new role and trusting your families and friends in the care of Bethel. We are blessed, and do not take the trust lightly that you instill in us daily. I welcome you to contact me at any time with any questions or concerns, or simply to introduce yourself. One of my favorite parts of this position is building a relationship with the families and residents, and I look forward to getting to know each and every one of you. *God Bless!*

## A Fresh Look for Bethel!

It's "Spring Cleaning" time and we are sprucing things up around Bethel! One of the things getting a polish is our logo. The three crosses encompass our rich history and the gold circle keeps the look and feel of the old logo while bringing a new polished look for our future. We hope

you like it. Look for more new "polish" with our Facebook page and in the coming months with a revamped website!

## Foundation *Corner*

Our plans for a new Bethel continue. We are currently in conversation with city officials to secure land in the Williston Square Development. When Bethel was built in the early 1950s, it was constructed at the very north end of the city. The new location will locate Bethel to where it appears much of Williston's growth will occur and locate Bethel close to a future health care facility. We have been at our present location for over 70 years and our plans will allow us to better serve our community for future generations. An undertaking like this is a major investment to more efficiently provide quality compassionate care in a more homelike modern facility. The greater our investment into this project means the less we will have to borrow which will save on future interest payments on borrowed funds. This will keep our future rates lower. We ask for your playful consideration of how you might be able to assist Bethel in our ability to continue this important legacy.

We are once again planning for our College for Seniors to be held in Bethel's activity room. Our tentative dates are September 7, 8 and 9. If you have ideas for topics or speakers, please share them with the Foundation at 572-0223.

Bethel's Annual Meeting will also be held in our activity room. After two years of meeting remotely due to Covid concerns, we are excited to be able to gather for our meeting in person. The tentative date for this year's annual meeting is Wednesday, September 28, at 5:30 PM.

I want to extend a heartfelt thank you to Tami Peterson for her dedication to the residents at Bethel. Tami served as Bethel's Director of Nursing from May 2009 thru August 2015. She served as Bethel's Administrator from 2015 to January of 2022. She was Director of Nursing during Williston's oil boom which brought many challenges to all facilities located in Northwestern North Dakota. She also served as administrator during the Covid Pandemic which is still an ongoing concern to all nursing facilities caring for our county's aging population. On behalf of Bethel and Bethel Lutheran Foundation Board of Directors, we wish her well and good health as she continues her career in nursing.

## NUTRITION TIP

by Laura Hall, RD, LD Clinical Dietitian

### Chicken and Vegetable Kabobs

Warmer temperatures and sunshine are finally on the horizon! Along with this great change in weather also comes grilling season. One of my favorite things to make on the grill is kabobs; easy to prep ahead of time, they make great weeknight meals or an efficient meal for entertaining a crowd. Leftovers are also easily mixed with a bed of lettuce or brown rice to pack as a to-go lunch for work. Enjoy!

#### INGREDIENTS

- 1 pound boneless skinless chicken breasts, about 2 large breasts
- 3 TBSP extra-virgin olive oil
- 3 TBSP red wine vinegar
- 2 tsps honey
- 4 cloves garlic, *minced*
- 1 TBSP dried oregano
- 2 tsps dried thyme or dried rosemary
- 1 tsp kosher salt
- ½ tsp freshly ground black pepper
- 1 small red onion, *quartered into 1-inch pieces*
- 1 small zucchini, *ends trimmed and sliced into 1/2-inch coins*
- 1 small summer squash, *ends trimmed and sliced into 1/2-inch coins*
- 1 red bell pepper, *seeded and cut into 1-inch pieces*
- Canola oil for grilling
- 1 large lemon, *cut into wedges (optional, but way better if it's included)*

#### DIRECTIONS

Cut the chicken breasts into 1-inch pieces and place in a large zip top bag, shallow baking dish, or bowl.

In a separate bowl or liquid measuring cup, whisk together the olive oil, vinegar, honey, garlic, oregano, thyme, salt, and pepper.

Pour over the chicken and stir to coat (or seal the bag, removing as much air as possible, and “squish” to coat). Place in the refrigerator to marinate for 30 minutes or up to 3 hours (do not let the chicken sit for longer or the vinegar will cause it to break down). If using wooden skewers, place the skewers in water to soak for at least 20 minutes.

When ready to grill, preheat the grill to medium-high heat

(about 375 degrees F). Brush the grill grates with canola oil or coat with nonstick grill spray.

**Thread the kabobs:** Thread a piece of chicken onto the skewer (shake off the excess marinade when removing it from the bag.) Add alternating pieces of the red onion, zucchini, yellow squash, and red bell pepper until you've reached the end of the skewer, ending with chicken. Repeat with the remaining skewers, and then discard the excess chicken marinade.

Grill the chicken until fully cooked through and the juices run clear, about 10 to 15 minutes, turning the skewers every few minutes so that each side has grill marks. Transfer to a serving plate and squeeze the lemon over the top. Sprinkle with fresh herbs and feta. Serve warm.

## Staying Safe EXERCISING OUTDOORS WITH OLDER ADULTS

Now that it is spring and we are finally seeing some nice temperatures, the urge is strong to get outdoors and get some fresh air! However, it is important to remember to be mindful and observant with venturing outdoors.

You've made a plan to be more active, and you're ready to go outside and get started. But before you do, make sure that you can exercise safely in your neighborhood. Here are a few tips that can help you stay safe as you get moving.

Bethel Lutheran Nursing & Rehabilitation Center

## THINK AHEAD ABOUT SAFETY.

- **Carry your ID** with emergency contact information and bring a small amount of cash and a cell phone with you, especially if walking alone. Stay alert.
- **Let others know where you're going** and when you plan to be back.
- **Stick to well-lit places** with other people around.
- **Be seen to be safe.** Wear light or brightly colored clothing during the day. Wear reflective material on your clothing and carry a flashlight at night. Put lights on the front and back of your bike.
- **Wear sturdy, appropriate shoes** for your activity that give you proper footing.
- If possible, **walk during daylight hours.**
- **Choose routes that are well-used, well-lit, and safe.** Choose routes with places to sit in case you want to stop and rest.

## Chaplain's *Corner*

– with Pastor Sheldon Sorenson

Do you have a favorite season? Some of us have been thinking “Spring” for a while now. Some are planning to plant their gardens. Farmers are anxious to begin their spring work. Children are looking forward to the end of school.

Some people find that “Summer” is their favorite time of year. People are riding motorcycles, some off to the golf course, and many are headed to camping at the lake. Yet, others are taking in the baseball season that has gotten in full swing.

Some people find “Fall” the best time of all. They look forward to the colors of fall, bird and other game-hunting, plus no mosquitos. Many are ready to watch football and others build bon fires.

Some people do enjoy the season of “Winter.” This is mainly because we have so much of it in North Dakota. People look forward to ice fishing, skiing, snowmobiling and awaiting the arrival of Thanksgiving and Christmas.

There are seasons to life as well. Young people want to be older. Older people want to be younger. At least we as older people can act like we are younger.

Whatever season we are in, may we be pleasing to the Lord. May we rejoice in today. May God show us our way today. May we show others the way to Jesus today. While we are waiting for our “Favorite Season,” let us not waste the season we are in today.

*“This is the day which  
the Lord has made; let us  
rejoice and be glad in it.”*

Psalm 118:24

ST. PATTY'S DAY & MARDI GRAS PARADE

## Kids Visit the Arbor House

One Sunday afternoon the baby goats came to town and stopped at the Arbor House for a visit. The tenants were delighted. They touched, held and just talked to them, while others watched and smiled. Jane, one of our employees, raises goats along with other farm animals. She was so proud of these babies.

## Your Support IS NEEDED

Bethel depends on our church sponsors and community. We are very appreciative of your financial gifts that improve the lives of the residents we serve. Resident rates are set/limited by North Dakota's rate equalization reimbursement system. North Dakota Medicaid and Medicare rates typically (hopefully) cover the cost of providing direct care to our residents. However our Foundation is looked upon to help support facility improvements and other quality of life services. Please consider one of the following ways you could make a positive difference in the quality of care Bethel provides.

**GIFTS OF CASH:** The easiest way to obtain a charitable deduction is to support Bethel through a cash gift. If you itemize, your gift may be fully deductible.

**BEQUEST/WILL:** Consider naming Bethel in your will for any fixed or proportionate share of your estate.

**GIFTS OF APPRECIATED STOCKS/BONDS:** Giving long-term appreciated stocks or bonds avoids capital gains tax and you will receive an immediate tax deduction based on the full fair market value on the date of the transfer.

**GIFTS OF LIFE INSURANCE:** Designating Bethel Lutheran Foundation as the owner and beneficiary of an existing or new insurance policy usually offers a tax advantage in the year the gift was made. If the policy is paid up, the charitable deduction will be the cash value at the time of the gift. If the policy is not paid up, you continue to pay annual premiums which will become tax deductible to you each year.

**GIFTS OF REAL ESTATE:** If you have owned rental property, farmland or other real estate for many years, a charitable gift of that property can be especially tax advantageous. If sold outright, the sale could result in capital gains on any appreciation, and ordinary income on any depreciation recaptured. A charitable gift to Bethel may avoid the tax consequence and realize a charitable deduction for the full market value of the real estate.

There are many ways to support the Mission of Bethel, please consult your tax advisor or call the Bethel Foundation office at 701.572.0223.
