Per the State Fire Marshall, **holiday decorations** need to be labeled U.L. fire retardant. A label stating only U.L. or U.L. flame resistant is *not acceptable*. No live/“real” trees, wreaths or Poinsettias are allowed. No combustible decorations can be used, including wrapping doors in wrapping paper. Any electrical cords must be plugged directly into outlets and, as always, no power strips or extension cords can be used.

*If you have any questions or concerns regarding this, please contact Toni.*
