- Booth Construction** The normal height restriction for all exhibits or portions thereof is eight (8) feet in the rear, three (3) feet on the sides. Please note on contract if exhibit is taller than normal booth sizes. Custom-built displays are desirable and more effective because of their eye appeal. All custom displays should be built four inches narrower than actual booth specifications in order to insure proper fit. Standard booths are 10' x 10'. This equipment consists of drapes suspended on covered supports, eight feet at the back and thirty-four inches on the sides. Tables and chairs will be provided upon request. Exhibitors will not apply paint, lacquer, adhesive, or any other coating to the building floors, columns, etc., or to the standard booth equipment. All exposed edges of carpeting or other floor covering must be taped down. Exhibitor's booth must be able to pass fire marshal's inspections, and for this reason non flammable materials are recommended. Exhibits shall be constructed and arranged so they do not obstruct the general view or hide the exhibits of others. Floor coverings and display items shall be confined to the exhibit space leaving the aisles open for public safety and traffic.
- Character of Exhibits** Preferred products and services displayed are those pertinent to the oil and gas industry or closely related to this field. Exhibits should be attractive and demonstrative so the purpose of providing the maximum in educational and informational opportunities to the attendees can be met. Exhibitors are requested to cooperate at all times with the show officials by manning and maintaining their exhibits throughout the exhibition. Each exhibitor agrees to have a representative(s) in attendance at their booth during the hours of the show.
- Selling of Products or Services** All sales of products and/or services will be allowed. No canvassing, solicitation of business, or conferences in the interest of business, except by exhibitors will be permitted in the exposition. Canvassing must be confined to exhibitor's rented space, and all sales activities must take place within that space.
- Distribution of Literature** Printing, advertising, souvenirs, etc., may be distributed by exhibitors from their own leased space only. Any souvenirs or advertising that is of an objectionable or undignified character will not be permitted. Souvenirs will not be of a noise-making variety.

- Sound Control** Sound effects, loud speakers, and other attention getting devices and audio-visual equipment will not be permitted except in locations where, in the opinion of show officials, such sounds and activity do not interfere with activities of neighboring exhibitors.
- Food & Beverage** Exhibitor agrees not to serve or dispense food or beverages or to arrange for any third party to provide such a service.
- Balloons, etc.** NO helium balloons or similar items will be allowed in the show due to fire code and the high cost of removal from ceiling.
- Liability** Neither DAWA Solutions Group, LLC., the employees thereof, the Raymond Family Community Center, nor any member of the show committee, or their representatives, will be responsible for any injury, loss or damage that may occur to the exhibitor, or to the exhibitor's employees or property, from any cause whatsoever prior, during, or subsequent to the period covered by the show exhibit contract; and the exhibitor on signing contract expressly releases the foregoing named association, individuals, representatives, committee, and officials from any or all claims for such loss, damage, or injury. Exhibitors will be required to replace, repair, or otherwise assume the expense of any defacement for the injury of premises caused by his or her exhibit or representatives.
- Deposits and Refunds** All booth fees will be retained by DAWA Solutions Group, LLC. in the event the exhibitor fails to fulfill the contract.
