Our Mission

"To ensure access to excellent, lifelong healthcare services for our community."

From the Director

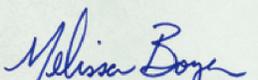

Dear Donors, Friends, Volunteers, and Supporters,

The landscape of healthcare is everchanging. Today's newest technology is tomorrow's ancient technique. Scientists have learned so much about disease and health, and ways to cure and enhance both, that healthcare institutions need to stay in the foreground of advancement, or risk the ability to serve their patients the highest quality care available.

The Foundation for Community Care prides itself on being able to work alongside the community and Sidney Health Center in the endeavor to keep our healthcare decisions local. Every dollar donated to the Foundation stays right here, to serve the people of Richland County. Every dollar donated goes directly to the fund specified by the donor. The Foundation is a department of Sidney Health Center and all the heat and lights and employee salaries are covered by Sidney Health Center. Every dollar donated matters.

It is a great honor to work in eastern Montana with all of you generous, kind hearted, community-focused folks. I look forward to what's next!

To Your Health,

Melissa Boyer, CFRE

Director, Foundation for Community Care

Celebrating

40 YEARS

of ensuring access to excellent, lifelong healthcare services in Richland County and surrounding areas.

REMEMBERING & HONORING OUR FOUNDERS

In 1983, a group of civic leaders in Richland County created the Foundation for Community Care to secure the future of the hospital and area healthcare organizations.

John Olson
1939-2022

Bud Groskinsky
1932-2022

Curtis Hunter
1925-2003

Without the vision of these very driven and community-oriented individuals, the Foundation will not be what it is right now. Together with the entire community, they came together for a great cause, turned a dream into reality, never looked back... and here we are today.

Antone Carda
1926-2003

Synove Lalonde
1911-1996

Ing Svarre
1903-1986

With this, the Foundation for Community Care will continue to strive and build on what they have started because there will always be a need to provide access to excellent healthcare services in our community. The quest continues and it will never stop.

Jimmie Ashcraft

Melvin Leland

Leonard Odenbach

Armed with inspiration from these visionaries along with the support of the community, we are taking on the challenge. Onwards & upwards to more years of the Foundation. For our health, our community, our future!
