

Founded in 1983, the Foundation for Community Care holds true to its mission of **ensuring access to excellent, lifelong healthcare services for our community.** One hundred percent of every donation made to the Foundation stays in our community for current and future healthcare needs. Each year, a portion of the returns of the Foundation's investments are awarded to support area groups and organizations that help promote the mission of the Foundation. Take a moment to recognize 2024's newest grants:

Richland Co. Emergency Management
\$10,000.00

HAZMAT GAS METER
Purchase of gas monitors for First Responders that respond to HAZMAT emergencies. These gas monitors have high detection capabilities, fall alert and idle personnel alerts, mobile phone alerting of meters in alarm and large area gas mapping & detection as well as personal alarming for individual safety.
