

HUMISOURCE[®]

SOLUBLE HUMIC ACID

HumiSource is a ready-to-use product that enhances plant growth in organically-deficient soil. It can be used in the field, garden, or greenhouse for use in fertilizer applications, irrigation injection systems, or for foliar sprays.

INSTRUCTIONS FOR USE

For flowers, vegetables and trees

To one gallon of water, add one tablespoon of HumiSource and one tablespoon of your favorite fertilizer.

For crops

Apply on gallon/acre, although application rate may vary depending on crops and soil conditions.

For pot drenching

Dilute 1% HumiSource with 99% water. Add enough of the solution to go through the soil (dripping at the bottom).

For established lawn

Apply 8 ounces per 1,000 square feet as growth begins in the spring. Repeat the application early in the summer.

- Use a hose proportional to apply, using plenty of water to incorporate the material into the soil.
- Spray it on and irrigate with 1/2 inch of water.

CAUTION: Do not mix HumiSource with ammonium sulfate or calcium nitrate.

WARNINGS & WARRANTY

SKIN CONTACT: Immediately flush with water. Wash with soap and water.

EYE CONTACT: Immediately flush eyes with a directed stream of water for at least 15 minutes, forcibly holding eyelids open. Get medical attention.

IF SWALLOWED: Do not induce vomiting. Drink large quantities of water. Get medical attention immediately.

INHALATION: If breathing becomes difficult, move to uncontaminated area.

CAUTION: Be careful when mixing HumiSource with other products. Check out product compatibilities in small amounts before mixing. Do not mix HumiSource with ammonium sulfate or calcium nitrate.

Warranty:

Seller warrants the product in this container conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions and under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied extends to the use of this product contrary to level conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes that risk of any such use.
