

# **HUMISOURCE<sup>®</sup>**

## **PLUS**

### **SOLUBLE HUMIC ACID CONCENTRATE**

*HumiSource Plus is for blending by manufacturers only.  
Dilute 45.77% HumiSource Plus with 54.33% water and apply this diluted  
solution as follows to enhance plant growth in organically-deficient soil.*

## **INSTRUCTIONS FOR USE**

### **For flowers, vegetables and trees**

To one gallon of water, add one tablespoon of HumiSource Plus and one tablespoon of your favorite fertilizer.

### **For crops**

Apply on gallon/acre, although application rate may vary depending on crops and soil conditions.

### **For pot drenching**

Dilute 1% HumiSource Plus with 99% water. Add enough of the solution to go through the soil (dripping at the bottom).

### **For established lawn**

Apply 8 ounces per 1,000 square feet as growth begins in the spring. Repeat the application early in the summer.

- Use a hose proportional to apply, using plenty of water to incorporate the material into the soil.
- Spray it on and irrigate with 1/2 inch of water.

**CAUTION: Do not mix HumiSource Plus with ammonium sulfate or calcium nitrate.**

## **WARNINGS & WARRANTY**

**SKIN CONTACT:** Immediately flush with water. Wash with soap and water.

**EYE CONTACT:** Immediately flush eyes with a directed stream of water for at least 15 minutes, forcibly holding eyelids open. Get medical attention.

**IF SWALLOWED:** Do not induce vomiting. Drink large quantities of water. Get medical attention immediately.

**INHALATION:** If breathing becomes difficult, move to uncontaminated area.

**CAUTION:** Be careful when mixing HumiSource Plus with other products. Check out product compatibilities in small amounts before mixing. Do not mix HumiSource Plus with ammonium sulfate or calcium nitrate.

### **Warranty:**

Seller warrants the product in this container conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions and under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied extends to the use of this product contrary to level conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes that risk of any such use.
