

API - WILLISTON BASIN CHAPTER

The American Petroleum Institute (API) is the only national trade association that represents all aspects of America's oil and natural gas industry. The Williston Basin Chapter of the American Petroleum Institute is a nonprofit organization comprised of service oriented individuals who serve the local oil and gas industry, as well as the surrounding communities. Our members are dedicated to providing a forum for the discussion of energy related issues and promoting the improvement of the energy industry through education and community action.

WILLISTON API ACHIEVEMENT AWARDS

The Williston API Achievement Awards celebrate the many positive contributions and accomplishments of the oil and gas industry throughout the Williston Basin. The awards highlight the achievements of companies and individuals whose tireless work, innovative solutions, varied business activities, and community involvement produce the energy and economic activity that fuel our communities and country.

- **Nominations**
Anyone may submit a nomination form for the Achievement Awards. The nominee need not be a member of the Williston API, but must be operating in or contributing to the oil and gas industry in the Williston Basin. Submissions will be judged by the award committee. Nomination forms are due October 18, 2019.
- **Award Committee**
The award committee will be established by the Williston API board and tasked with reviewing and scoring the nominations. The committee will determine the top three finalists including the award winner.
- **Award Presentation**
The 2019 Williston API Achievement Awards will be presented on November 15, 2019 during the Williston Petroleum Banquet at the Grand Williston. The three finalists in each award category will be announced prior to the banquet and published on the Williston API website. All finalists will be recognized at the banquet with the award recipients being announced during the program.
